Dear Foram Mehta,

I wanted to take a moment to express my heartfelt appreciation for your exceptional efforts in executing IASOWA projects. IASOWA commends your efforts in successfully finishing the remarkable Khomerpada project (model village development of Khomerpada village in Palghar District) and enhancing the Sushil Balwadi, a play school for underprivileged children, within an exceptionally short timeframe. Your dedication, hard work, and keen eye for detail have been truly remarkable.

Your commitment to this project, even in the face of challenging circumstances, is truly commendable.

I once again extend my gratitude to you and your entire team for your outstanding work. I wish you all the best and continued success in your future endeavors.

Best wishes,

(Dr.Archana Srivastava)
